Pray that all of us who follow Jesus Christ would enjoy our personal relationship with God. Ask God to help us celebrate our time with Him daily.

Pray that those of us who have experienced, God's forgiveness, His love, and His acceptance of us no matter what we have done, would be filled with appreciation so that we would tell others. Ask that there would be an overflowing of people expressing their appreciation for God.

Ask God to break our hearts for what breaks His heart. There is a lot of hurt, pain and injustice in our world that we are ignorant of, complacent towards or just ignore. Ask God to develop in us His heart of compassion.

Pray that every Christ follower would be focused on building relationships based on trust to those people around them. Pray that we would listen to and care for the people our sphere of activity.

Pray that the followers of Christ would never lose their amazement of who He is, what He has done and what He will do.
